The
End

Dear Ian,

I wanted to take a moment to tell you how proud I am of you. You are growing so fast ~~that~~ and becoming such a wonderful young person. Your curiosity and enthusiasm for learning new things never cease to amaze me and I know you will continue to do great things in the future.

Remember that how you learned to ride your bike : even though you fell a few times, you didn't give up. With practice and persistence, you eventually were able to ride your bike without falling. Up to now, we have ^{you} ride bike for almost 500 miles ~~together~~. It's important to always try your best and never give up, even when things get tough. Mistakes are just opportunities to learn and grow, so don't be afraid to make them. You're stronger than you think and capable of overcoming any challenge that comes your way. Keep being your wonderful self and never stop reaching for the stars.
